

RFID Programming and Security

Radio Frequency Identification

Hardware Requirements for Complete Course

RFID Cards We Need

- Mifare Classic Cards (1k, 4k, EV1)
- Magic Cards

Chinese
Magic
Card 1K

Mifare 1K

Hardware Requirements for Complete Course

For Programming Mifare

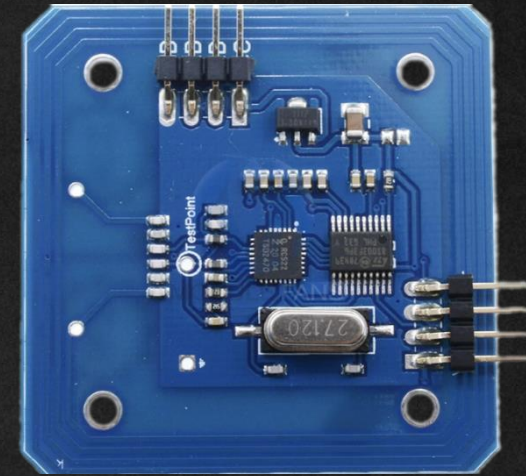

- ACR122u

Hardware Requirements for Complete Course

For Programming Mifare

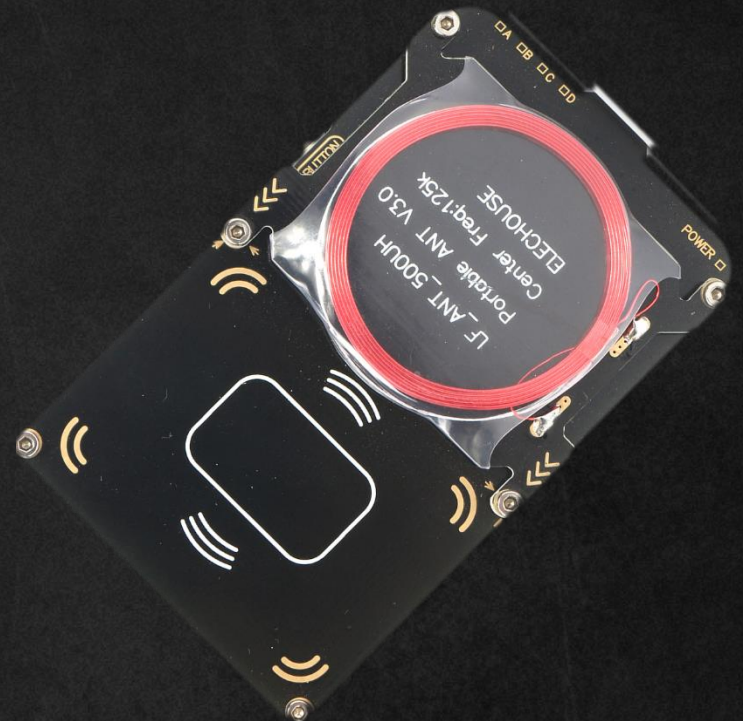

- MFRC522 with STM8
- USB to TTL
- STM8 & STM32 USB
- Jumper Wires (Female to Female)

Hardware Requirements for Complete Course

For Vulnerability Testing and Cracking Mifare Cards

- ProxMark3

Hardware Requirements for Complete Course

- Arduino UNO
- RC522 Module
- OLED 4 Pin
- Breadboard
- Jumper Wires
- Buzzer
